

Akshitha Mandumula

Python Developer / Computer Science Student

+91 8328463963 | mandumulaakshitha@gmail.com | LinkedIn | Hyderabad, Telangana

Professional Summary

Motivated Computer Science student with a strong foundation in Python, Java, Machine Learning, Data Analytics, and web technologies. Passionate about developing innovative software solutions, analyzing data, and continuously learning emerging technologies. Seeking opportunities to apply technical knowledge and problem-solving skills in real-world projects.

Education

Bachelor of Technology (B.Tech) in Computer Science and Engineering

Expected 2027

Sri Indu Institute of Engineering and Technology

CGPA: 9.2

Intermediate (CBSE)

Fortune Butterfly Senior Secondary School

Score: 437/500

SSC

Fortune Butterfly Senior Secondary School

Percentage: 88%

Technical Skills

Programming Languages	Python, Java, C
Web Technologies	HTML, CSS
Core Areas	Machine Learning, Data Analytics
Developer Tools	Power BI, Git

Projects

Feature Extraction for Classifying Students Based on Academic Performance

Technologies: Python, Machine Learning

- Developed a machine learning model to classify students based on academic performance using feature extraction techniques.

Fingerprint-Based ATM System

Technologies: Python

- Designed a secure ATM authentication system using fingerprint recognition for enhanced user security.

MediVision AI

Technologies: Python, Machine Learning

- Developed an AI-powered medical image disease detection system capable of identifying diseases from medical images.

Mini Projects

- BMI Calculator
- Password Generator
- Weather Application
- Responsive Web Pages using HTML & CSS

Internship Experience

Power BI Job Simulation (Forage)

- Completed a virtual job simulation focused on business intelligence and dashboard development.

Oasis Infobyte

- Virtual Internship – Python Programming.

Deloitte Data Analytics Job Simulation (Forage)

- Completed practical data analytics tasks using business datasets.

Tata AI-Powered Data Analytics (Forage)

- Completed a virtual experience program focusing on AI-assisted data analysis and business insights.

Certifications

- Python Programming Certification
- IBM Certification
- Deloitte Data Analytics Job Simulation Certificate
- Tata AI-Powered Data Analytics Certificate
- Forage Virtual Experience Program Certificate

Soft Skills

Communication, Teamwork & Collaboration, Problem Solving, Time Management, Adaptability, Quick Learner, Leadership, Responsibility, Positive Attitude, Decision Making

Achievements & Activities

- Participated in Campus Hackathon
- Delivered Technical Presentations
- Student Coordinator
- Active CSE Club Member

Languages

English, Telugu, Hindi

Interests

Art & Craft, Reading, Music, Sports, Learning New Technologies

Personal Details

Date of Birth: 20/12/2005

Gender: Female
